01 / COMPANY OVERVIEW

A dependable partner, from people to project.

HUNDRED PNS SDN. BHD. brings skilled trade teams, general building subcontracting and practical project coordination together. Our work spans commercial, industrial and residential environments, with experience in oil and gas, civil and structural works, mechanical construction and pipeline infrastructure.

We combine hands-on expertise with responsive communication, considered budget estimation and attention to workmanship. From specialist trades to site coordination, our focus is clear: reliable people, careful execution and lasting working relationships.

01

Reliability

People and planning aligned with the demands of your site.

02

Efficiency

Clear communication and coordinated work across trades.

03

Excellence

Careful workmanship, safe practice and attention to detail.
